Goal and limits
deadline,
people, budget
New message
a claim, not a fact
Decide the
next step
Verify one fact that could change the decision
supplier status: delayed, ETA 17:25
Prepare a backup while a fact or an approval
is pending
ETA 17:45: backup held to 16:55, $35 asked
Commit only a plan the server checked
the free swap at 16:43
Keep the plan when nothing should change
the stale reminder
Receipt
and the
new state
the next decision uses what actually happened
